

# life-changing Sponsor a puppy!

**For less than the cost of a cup of coffee a day**, you can support our charitable organization and give yourself, a friend or relative the unique opportunity of helping little puppies change from lovable bundles of fur to full fledged service dogs.

It costs \$37,000 to raise and train a guide dog or autism support dog, but our clients only pay a symbolic \$1, thanks to the generosity of sponsors like yourself.

For your convenience, we offer different donation levels to suit you:

### **Puppy Scholarship (\$15 monthly)**

Help support the next generation of service dogs! We'll match you with a 7 week old puppy who'll send regular photos and letters to you (or your gift recipient). When the puppy graduates from Guide/Autism Support Dog School (about 2 years), we'll team you up with a new puppy. Of course, you may opt out of the monthly Scholarship program at any time.

### **Kinderpup (\$50 one time)**

Contribute to the care of a whole litter of puppies as they prepare for school. You (or your gift recipient) will receive a framed photo and introduction letter to our latest litter of pups!

### **Puppy Bursary (\$250 one time)**

Contribute to the care of **one** of our pups from birth to graduation. We'll match you (or your gift recipient) with a puppy who will send photos and letters from about 7 weeks of age to graduation from Guide/Autism Support Dog School (about 22 months total).

### **Mum & Pups Fund (\$1000 one time)**

Contribute towards the care of mum and her litter. You (or your gift recipient) will receive a photo of the happy family, and one of the puppies will send photos and letters about his/her adventures from about 7 weeks of age to graduation (about 22 months total) from Guide/Autism Support Dog School.
